Subject: **Claims Timely Filing Deadline Extension**

Summary: First Choice Next acknowledges many providers were unable to submit claims as a result of the service disruption due to the Change Healthcare security incident. Therefore, we are extending the claims timely filing deadline for claims that would have been rejected due to untimely filing.

Under normal circumstances, providers must file a claim with **First Choice Next** within **180** days from the date of service. We are extending the claims timely filing window for our providers from the start of the incident, February 21, 2024, until the day we informed you of the alternative methods to submit claims to us on March 11, 2024, plus 30 days (for a total extension of 50 days). Accordingly, **First Choice Next** will reprocess and pay claims with dates of service **08/25/2023-10/14/2023**, applying standard claim edits.

Only those claims with dates of service that were impacted by the security incident will be reprocessed and paid. Claims with dates of service outside the extension timeframe will be processed per usual protocols.
