Summary of Benefits and Coverage

This highlights your health plan benefits. It is a quick-reference document to find covered benefits and services, copays, and other out-of-pocket costs.

Formulary

This is a list of medicines (drugs) that a plan covers. Use this document to see if your medicines are covered, which drug tier they are in, and what your copay or coinsurance will be. The formulary is available online and is updated throughout the year.

This document helps First Choice Next members find health care providers, hospitals, or other health care facilities in our network. Use this document to find out more about choosing a provider and what to do in a medical emergency.

Pharmacy Directory
